

Ode to a Premier

"Big Brother" Bob", they cried,
"Could it be that you are a masturbater?,
- (colloquially some might insist so!),
that you have never had cause
to visit the home
of a friendly sexworker?

Welcoming arms, soothing hands.
A compassionate heart
to hear of your troubles at home?

Even Jesus - Son of God
loved the Whore
Mary Magdalene.

You have become a Judas
with your
"Prince of Darkness"
in your ear.

Dogs unleashed,
Enslaving the free.
Local Captains
spying on defenseless women -
in order to banish them
from their homes.

Are we really ready
for your
"Brave New World?"
