Sydney Metropolitan Area

Sex Industry Project
- The Sex Industry Project provides a range of health, safety, support and information services for sex industry workers

- Our services are:
  - Free of charge
  - Confidential
  - Non-judgemental

And our services do not require a Medicare card.

The service is provided to all areas of the sex industry including:
- Sex Workers
- Industry owners and management
- Clients of the sex industry

Location
The sex Industry Project is based at a number of locations in the Sydney metropolitan area.

For information or to make an appointment phone a clinic that is most convenient to you.

Services to the Industry

Outreach
The project operates a weekly outreach service. There are both day and night outreaches to work places. Safe sex supplies, resources, referrals, information and support are provided.

Resources
The project maintains up to date educational material on issues that effect those in the sex industry such as:
- Sexual health
- Worker issues
- Legal information
- Taxation
- Workplace health & safety

Clinical services
All clinics offer services that include:
- HIV & Sexually Transmitted Infection screening
- Work certificates
- Treatments of STIs
- Hepatitis testing
- Free vaccinations for Hep B
- Contraceptive advice
- Pap smears
- Sex work supplies (condoms, lube and dams)
- Information, resources and referrals
- Needle and syringe program

Services to the Industry

Counselling and Support Services
The counselling team is made up of experienced female and male counsellors. They provide face to face and telephone counselling.

We also act as a point of contact for sexual assault and domestic violence services.

Sex Industry Support
To talk to the sex industry project officer make an appointment by contacting one of the clinics.

The sex industry project maintains a close relationship with the Sex Workers Outreach Project (SWOP) telephone 9319 4866.

Other Languages
The Sex Industry Project supports sex industry workers from all cultural and language backgrounds. We can arrange for an interpreter if you need assistance.
